Employees having an accumulation of more than one hundred sixty (160) days as of March 1, 1993 may retain that balance, however. Half the amount of the accumulated sick leave will be paid to an employee upon retirement.

In the event a dispute arises as to whether the employee can perform light duty, the employee shall be allowed to remain out of work until such time as a final determination has been rendered.
2. Prior to reporting to light duty, the employee must be informed in writing of the type of work they shall be assigned to perform. This written notice

must be provided to the employee prior to the examination by the impartial physician referred to in subparagraph 1 preceding. Said employee cannot be required to perform any task or duty not enumerated in the light duty job description provided in writing by the Employer to the employee.
